

## Repair / Return Form

Please include this form in the box.

**Please remove all tape from the entire sabre before shipping to us.**

When we receive your box and evaluate the contents, we will contact you. We will discuss with you what needs to be done and what we recommend. As much as we would love to have you purchase a new sabre, our customer service is based on integrity and will not try to sell you anything you don't need. We will fix anything we can while making sure your sabre will be returned to you ready for action!
